

Application Guide for Double Degree students

1. Applicants may apply via <https://campus.tum.de/tumonline/webnav.ini>. Please create only ONE applicant account! Choose your language (English or German) and take care of capitalization. Fill in all your names as they are written in your passport. Choose an e-mail account that you check regularly, if you do not receive a password, please check your spam.

2. After registering you can create your application. You cannot edit personal data after creating a TUMonline account but errors and typos will be corrected once we review your documents. The application documents will be uploaded within the online application. Once you submit your online application, uploaded documents may no longer be exchanged. You do not have to submit hardcopies of your documents until you receive an offer of admission. Only after admission you will have to submit hardcopies of certain documents for enrollment.

3. Choose the right semester.

Start of course

Please choose the semester for which you wish to apply at the Technical University of Munich. The menu item Select degree program displays only those programs offered in the selected semester.

Information on application periods and deadlines can be found here: <https://www.tum.de/en/studies/degree-programs/>

First-semester students may begin a bachelor's degree program in the winter semester ONLY.

The winter semester lasts from October 01 to March 31.
The summer semester lasts from April 01 to September 30.

Start of course

You may only submit one application per degree program.
Fill in the fields on the following pages and upload the required documents.

Please note that if you are applying for summer semester 2020 your application cannot be processed until you have uploaded all required documents!

For more information on the application process and how to complete the online application, visit:

9. Document Upload: Please complete the following forms by uploading any remaining documents. Only complete applications will be processed. An application is complete when all documents have been uploaded in time. Once you uploaded all documents, the data you entered will be saved.

10. Overview and Sending: This is only a preview of your application which has not yet been electronically submitted. You can still exchange uploaded documents before sending the application. At this point they may no longer be exchanged. Please review the data you have entered and ensure that you have uploaded the correct documents. Should you have selected the wrong degree program or the wrong semester, you will have to start a new application. Once you are certain and after you have ticked the appropriate box (at the bottom of the page), click the SEND button to submit your application electronically. If you cancel at this point, the incomplete application will be saved and you are free to submit it at a later point in time.

OVERVIEW - APPLICATION NUMBER: 1-00541063

PLEASE NOTE

This is only a preview of your entries. The application has not yet been electronically submitted.
You can still exchange uploaded documents before sending! Once the documents have been sent, however, they may no longer be exchanged.

Please ensure that you have uploaded the correct documents and click the SEND button to submit your application electronically, after you have ticked the Confirmation box (at the bottom of this page).

Entrance semester: 1 - Aptitude assessment
Form of studies: Consecutive master program

I have already studied at a university/college before.
 I have already applied once for the selected degree program at TUM within the last year.
 I want to apply for a degree program at the TUM within the scope of a partnership agreement (Double Degree, Joint Degree, etc.) and will provide corresponding confirmation from the partner university.

Confirmation

Please click "**Back**" in order to revise incorrect details. Check the box and click "**Send**" to transmit your application. After clicking "Send" no further correction of your details is possible any longer!

I hereby declare that the statements contained herein are true and complete, and herewith allow the TUM to further process my data internally. I am fully aware that any false statements on my behalf can lead to an exclusion from admittance and enrollment at university.

The personal data collected here will be processed at TUM for the following purpose: Application for admission to the Technical University of Munich.

In the case of applications to degree programs employing the dialogue-oriented service procedure and for applications to the Studienkolleg, personal data will also be passed on or transmitted to the University Admissions Foundation or the Studienkolleg at the universities of the Free State of Bavaria and also processed there for the purposes mentioned.

Collected data is retained for one year, ten years in the case of admission or rejection and thirty years in the case of official enrollment.

My personal data collected for above-mentioned purposes will be processed in compliance with the European Data Protection Ordinance (DSGVO), the Bavarian Data Protection Act (BayDSG) and the Bavarian Higher Education Act (BayHSchG). In particular, Art. 6, para. 1, lit. e DSGVO, in connection with Art. 42, para. 4 BayHSchG apply here.

By law, there is a right to information, as well as to correction or deletion or to restriction of the processing or a right of objection to the processing and the right to data transferability. In addition, there is a right of appeal to the Bavarian State Commissioner for Data Protection.

If you have any questions, please contact studium@tum.de or our data protection official (www.datenschutz.tum.de).

11. Status View and Application for Admission: Sending the online application is the first step towards starting a degree program at TUM. You can view the status of your application in your TUMonline account, here you can also download and print your application for admission. In the next step, please print out and sign the application for admission and upload it to your TUMonline applicant account. At this point you can also upload any missing documents until the end of the application deadline. Click on the individual documents to display the upload deadlines. An application is complete when all documents have been uploaded in time. Only complete applications can be processed. A green symbol means everything is correct, a yellow one the document is incorrect, please upload a new one and the red one marks a missing document.

12. Once you have sent your online application and uploaded all documents, your application will be reviewed. After checking the information and documents you provide, we will contact you by email. If there are any incorrect documents, we will inform you about how to proceed. As soon as your application has been processed, you will receive an offer of admission. All relevant updates will be sent by email, so be sure to regularly check your inbox and your spam folder.

13. Upon receiving your acceptance, please click the accept button in your TUMonline account. As soon as you accept your spot, you will be able to submit the required documents for enrollment and a list of the required documents will be displayed in your TUMonline account. To complete your enrollment, we need a signed printout of the application for enrollment and notarized hardcopies of your certificates. All documents not originally issued in German or English need to be translated by a certified translator. Please hand in these documents via mail or in person.

Submission of application

Admission

Study place

Next steps

You have the option to accept or decline your place in your desired degree program. Please note the following:

- Your official acceptance of this offer is a prerequisite for enrollment at the Technical University of Munich.

If you cannot commence your studies this semester, please reject the offer of admission and reapply for the desired semester.

For more information on renewed application for admission, visit <https://www.tum.de/en/studies/application/reserving-your-spot/>

[Accept study place offer](#)

[Decline study place offer](#)

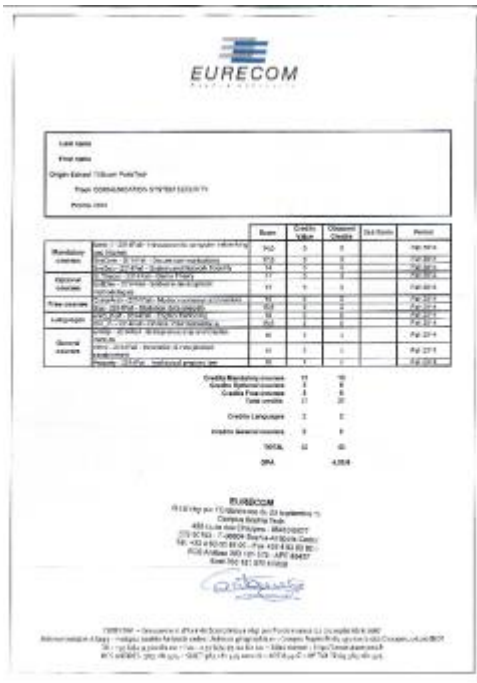

Enrollment

14. Officially certified copies – best practice examples
 Detailed information can be found at <https://www.tum.de/en/studies/application-and-acceptance/notarization/>

Incorrect authentication: rubber stamp

Correct authentication: including the official round seal

Correct Bachelor's degree diploma equivalent

15. All students in Germany are required to have health insurance. You must therefore provide proof of equivalent health insurance in order to enroll at a German university. If you do not have a German health insurance policy or if you are certain that you are exempt from the compulsory health insurance, please select the last option and be prepared to provide this information later for enrollment. Detailed information is available at <https://www.tum.de/en/studies/application-and-acceptance/mandatory-health-insurance/>

16. After accepting your admission offer, please transfer your student union fees. All information you need about these fees and the bank transfer process can be found in your TUMonline account.

17. As soon as all documents are registered and designated as correct in your TUMonline account, you accepted an offer of admission and transferred your student union fees, you will be enrolled at TUM and notified by email. Please remember to check your TUMonline account regularly to keep up-to-date. After enrollment you can download your student documents from your TUMonline account.

18. If you need help at some point during the application process please contact your double degree coordinator. Please note that as a double degree applicant, your document checklist may show more documents than you have to submit. For detailed information, check out the information given by the departments <https://www.tum.de/en/studies/application-and-acceptance/double-degree/> or contact your double degree coordinator.
