# Who We Are

TUMJA at a Glance

# SCHOLARSHIP PROGRAM

TUM: Junge Akademie is a 20-months program for exceptionally talented and dedicated students interested in research.

The program is open for students from TUMJA's partner universities.

# PASSION FOR SCIENCE

Working on a scientific project in an interdisciplinary team is the core element of the program.

# VIBRANT NETWORK

TUMJA provides its scholarship holders with an extensive network: Over 600 alumni, various experts from industry and numerous professors as well as Emeriti of Excellence.

# Networking

Interdisciplinary exchange  
with fellow students

Supervisors and Mentors:  
Professors and Emeriti of Excellence

External partners

# Networking

## Benefits

Choosing a topic for your thesis

Letters of recommendation

Internships, working student positions

- **Meeting** unique personalities from other study programs and work with them in a team
  - **Mentoring** with alumni of the program

## WE EXPECT...

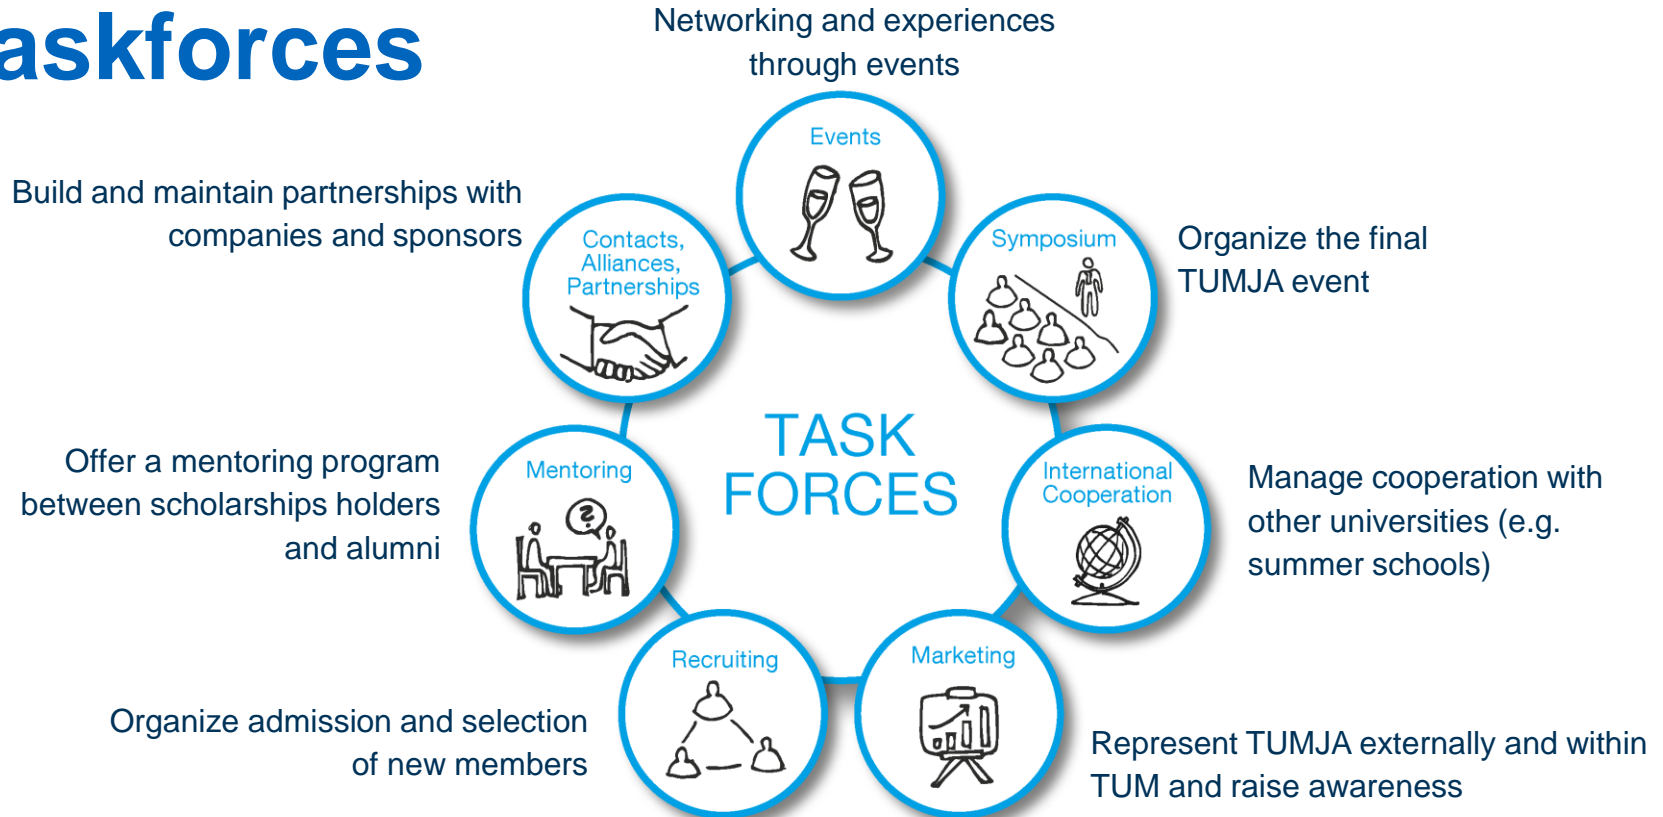

- **Commitment** to the **project** of your choice
- Work in a **taskforce** to shape the future of TUMJA
- **Participation** in events and workshops
- **Challenge** yourself, both personally and professionally

# Schedule

20 months

# Taskforces

# Insights from Members

## Example project – Healthy Habits

We are trying to find out whether building up “healthy habits” can actually be fun.

**BE  
HEALTHY**

Our app **BeHealthy**  
will be launched soon!

Follow us on instagram  
**@behealthy\_tum**  
for some inspiration and  
motivation to get started!

# INSIGHTS – EVENTS & WORKSHOPS

Impressions from 2023

Seminar Weekend  
in January
