

HOW TO ENROLL AT TUM

Infosession for Prospective TUM students

What exactly is enrollment?

Enrolling means getting your **legal status as a student** in Germany.
Your TUMonline account switches from applicant to student features.

Only enrolled students have access and are entitled to:

Course and exam registration

Documents such as enrollment certificate
(→ Bavaria: **discounted Deutschlandticket**)

Moodle and further student infrastructure

Student card (only with a German address)

TUMonline Enrollment Steps

- 1 Accept the study place
- 2 „Add data“:
Upload your documents for enrollment in TUMonline
- 3 Pay the semester fee and/or tuition fees
Have your health insurance status digitally confirmed
- 4 Upload application for enrollment and final documents

Accepting Your Study Place in TUMonline

- The enrollment process starts after you have accepted the study place
- You can simply accept or decline the study place offer online in your [application status](#):

▼ ⓘ Study place

Next steps

You have the option to accept or decline your place in your desired degree program. Please note the following:

- Your official acceptance of this offer is a prerequisite for enrollment at the Technical University of Munich. All steps required for enrollment are explained here: <https://www.tum.de/en/studies/application/enrollment/>
- Please accept your study place as soon as possible. You can accept the study place by the enrollment deadline. But we recommend you do so before the semester begins, to complete the enrollment process by the deadline.
- If you cannot commence your studies this semester, please reject the offer of admission and reapply for the desired semester. For more information on renewed application for admission, visit <https://www.tum.de/en/studies/application/reserving-your-spot/>
- **Please consider, that you must be enrolled to register for courses.**

Accept study place offer Decline study place offer

Accepting Your Study Place in TUMonline

Until when can you accept the study place?

- As soon as possible
- Our recommendation: no later than **15.03.2025**
- Legal deadline: 5 weeks after the lectures start (27.05.2025)

Accepting the spot unlocks the „Add data“ dialogue

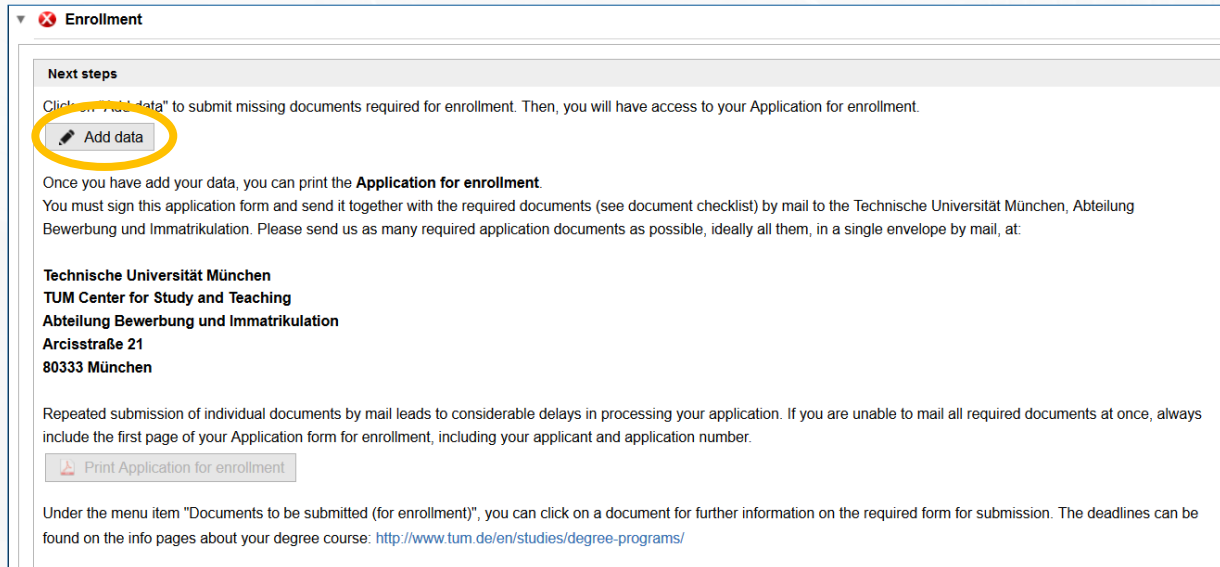

- „Add data“ to submit the documents for enrollment

Important: You still have to perform all other steps after this step

- Please allow yourself sufficient **time** to complete all the steps afterwards

Complete Your Data and Upload Your Documents I

Click on „Add Data“ to upload your enrollment documents:

Enrollment

Next steps

Click on „Add data“ to submit missing documents required for enrollment. Then, you will have access to your Application for enrollment.

Add data

Once you have add your data, you can print the **Application for enrollment**.
You must sign this application form and send it together with the required documents (see document checklist) by mail to the Technische Universität München, Abteilung Bewerbung und Immatrikulation. Please send us as many required application documents as possible, ideally all them, in a single envelope by mail, at:

Technische Universität München
TUM Center for Study and Teaching
Abteilung Bewerbung und Immatrikulation
Arcisstraße 21
80333 München

Repeated submission of individual documents by mail leads to considerable delays in processing your application. If you are unable to mail all required documents at once, always include the first page of your Application form for enrollment, including your applicant and application number.

 **Print Application for enrollment**

Under the menu item "Documents to be submitted (for enrollment)", you can click on a document for further information on the required form for submission. The deadlines can be found on the info pages about your degree course: <http://www.tum.de/en/studies/degree-programs/>

Complete Your Data and Upload Your Documents II

Please upload a passport-style photo for your student card.

Other documents may be requested (or not) depending on your previous studies.

RESIDUAL DATA ENTRY Help Support

- Information**
 - Passport style photo (as for ID)
 - Health Insurance details
 - Evidence of student health insurance (issued by a compulsory health insurance company)

Information

On the following pages, we request that you provide any missing information required for your enrollment. If some information or documents are not yet available to you, they can be submitted later by post or in person. Individual documents sent by post must be accompanied by the first page of your application form.

Once you have uploaded all missing information, you will find a list of the documents required for enrollment in your applicant account. Under the menu item "Documents to be submitted (for enrollment)", you can click on a document for further information on the required form for submission. The deadlines can be found on the info pages about your degree course: <http://www.tum.de/en/studies/degree-programs/>

You will be enrolled at TUM after all documents (see list of documents) have been entered in TUMonline as received and correct, you have been admitted and accepted the offer of admission, and you have transferred the semester fees.

[Add data](#)

Once you have add your data, download the **Application for enrollment**. You can sign the application digital and upload it in the document checklist within the enrollment deadline.

[Print Application for enrollment](#)

Under the menu item "Documents to be submitted (for enrollment)", you can click on a document for further information on the required form for submission. The deadlines can be found on the info pages about your degree course: <https://www.tum.de/en/studies/degree-programs/>. Students registered for courses as auditors do not need to submit any documents for enrollment.

Please transfer the **Semester fees** by March 15th for the summer semester or until September 15th for the winter semester so that you can be enrolled before the semester begins. If you are an international student from a non-EU/EEA country, you also need to transfer the tuition fees for your degree program. Further information is available under: [Semester fees](#). Transferred fees will appear in your TUMonline tuition fee account within approx. 5 working days. We ask you not to contact us unless your payment has not been posted to your account after at least one week. For participants of the Studienkolleg, differing enrollment deadlines apply: [Dates and Deadlines](#)

You will be enrolled at TUM after all documents (see list of documents) have been entered in TUMonline as received and correct, you have been admitted and accepted the offer of admission, and you have transferred the semester fees within the deadline. As soon as you have fulfilled all of the indicated enrollment requirements, you will be automatically enrolled within 24 hours, at the earliest from mid-January for the summer semester and from mid-July for the winter semester. **Please consider, that you must be enrolled to register for courses.**

Upload your enrollment documents

1. Please download and sign the „application for enrollment“ form

- You can download the document from your application status in TUMonline
- It is generated only **after** you finish and submit the „add Data“ menu
- A digital signature is sufficient

2. Upload the signed „application for enrollment“ form in TUMonline

Register for Courses and Exams

Course registration (and exam registration):

- Available in TUMonline.
- You need to register for each course AND each exam
- Please watch the YouTube tutorial: www.youtube.com/watch?v=sk_2CCTEHjQ
- For more details, you can ask your departmental student advisor

Important: Without being enrolled, you cannot register for any course or exam

Hint: Check your degree program's study plan for mandatory courses and modules.

The study plan is available on the degree program homepage linked here:

<https://www.tum.de/en/studies/degree-programs/>

Tuition Fees

- For non-EU/EEA students
- Information about tuition fees and tuition navigator available on our website:
<https://www.tum.de/en/studies/fees/tuition>
- Scholarship, waivers and exemptions
<https://www.tum.de/en/studies/fees/tuition/scholarships-and-waivers>
- If you have completed German bachelor's degree, you will be exempted from the tuition fees
→ upload your German bachelor's degree documents to receive the exemption.

Deferring admission

- If you cannot arrive in Munich (e.g. due to visa issues) or have to postpone your studies, you can defer your admission. Please read the information on this page:
<https://www.tum.de/en/studies/application/enrollment-info-portal/deferring-admission>
- Deferring is possible until the enrollment deadline (summer semester 2025: 27.05.2025)
- Your admission generally stays valid (i.e. if the admission requirements have not changed) and you can reapply during the official application deadlines.
- If you defer until the enrollment deadline, you can also apply for a refund of your fees.
- Please note: Deferring admission is not possible if the degree program is discontinued.
