

INVITATION FOR NEURODIVERSE PERSPECTIVES

Project “Designing Experiences” at
TUM Chair for Design and
Transdisciplinarity

Agenda: Prototype Testing from 24.06–06.07

We are looking to test a **Room Management System** for people with **neurodiversity**. We are looking for **4-6 people** identifying as neurodiverse to **test our prototype**. Our prototype will be made from **paper, cardboard, and screens**.

Testing Experience: The testing will take 1 hour, including trying out the prototype and sharing your feedback.

Language: English & German

Location: TUM Main Campus

Time: Between June 24th and July 6th

Your participation is voluntary, and your input will be handled with the utmost confidentiality

WE'D LOVE TO HEAR YOUR INPUT:

ana.babic@tum.de or

boeck.maximilian@tum.de
