General Student Advising

www.tum.de/en/studies/support-and-advice/support-during-studies/studentadvising

Personal contact for general study-related issues

We take time to examine your individual situation:

- Working together, we develop options to help you to take decisions
 - During this process, we focus on your needs, experiences and skills
 - We offer our advising services via videocall, telephone or on site
 - Our advising services are confidential and independent
- Talking helps! We advise and provide options!
(available in German and English)

General Student Advising

Reasons to arrange an advising session are various and include e.g.:

I am afraid of being exmatriculated – I am at a loss what to do now?

How do I create a good balance between my studies and my private life?

I would like to have more contacts during my studies.

What master's option do I have?

How can I gain more practical experience during my studies?

I do not feel comfortable in my study program – which alternatives do I have?

I don't have the mind to do my studies at the moment.

I would like to start a double degree. What is the best way to proceed here?

Studying with special needs

www.tum.de/en/studies/support-and-advice/wellbeing/studying-with-a-disability

Individual support and advice for students concerned

Advice and support on wide range of matters such as:

- Exam matters
 - Compensation for disadvantages
 - Applying for technical learning aids
 - ... much more
- We want to ensure that students concerned have the opportunity to participate equally and independently in their studies and student life.
