

Reservation Request for Student Clubs

send to veranstaltungen.za4@xzv.tum.de

Requirements and important information

To be able to book rooms at TUM, you must submit a self-declaration to studentclubs@tum.de once a year.

1. Name of the Student Club:

2. Date and time of the event, if applicable, frequency:

3. Requested room, if applicable:

4. Event title:

5. Event details

Room fees include rental and utilities, which may be waived for Student Clubs under certain conditions.

- The requesting student club is the sole organizer of the event.
- TUM students are significantly involved in the organization and execution of the event, and TUM students attend the event as members and/or guests.
- The event is for a charitable, scientific, educational, social or cultural purpose, or for the organisation, planning and development of club activities. The event is not a recreational event.
- There are no admission or participation fees. It is not a for-profit event.
- The event is not to recruit or place students with companies (e.g., company presentations).
- The event will not be used to promote commercial interests, to promote or sell products or services, to promote the image of external organisations or to promote national interests.
- The event does not convey religious or political content.
- There are no suitable rooms available for the planned event from TUM Chairs or Schools, sponsors or StudiTUM.

By signing below, I confirm that I have read and understood [the Rules for the Allocation of Rooms \(...\) as amended on 28 June 2022](#) and that the request has been completed truthfully.

Date, name and signature of the student club representative
